

ICSA 2024

HYDERABAD, INDIA | 4 - 8 JUNE 2024

<https://icsa-conferences.org>

About the Host Institute

The International Institute of Information Technology, Hyderabad (IIIT-H) is an autonomous university established in 1998. It is dedicated to research and education in key areas of Information Technology, including Computer Science and Electronics and Communication.

21st IEEE

International Conference on Software Architecture

4th - 8th June 2024
IIIT Hyderabad

About the Conference

ICSA is a leading conference on Software Architecture held worldwide annually. It focuses on component-based software engineering, software quality, and their impact on system design, development, operations, and sustainment.

Prospects

Attendees will be exposed to latest research trends and be able to network with experts in the field and reach potential hires.
