

18th IEEE International Conference on Software Testing, Verification and Validation

ICST 2025

Mon 31 March – Fri 4 April 2025 in Naples, Italy

ICST serves as a premier platform uniting researchers, scientists, engineers, and practitioners worldwide to showcase their cutting-edge research findings, innovative ideas, and practical applications in the domain of Software Testing, Verification, and Validation.

The 18th edition of ICST, scheduled for 2025, will be held in the beautiful city of Naples, Italy.

ICST 2025 will welcome high-quality submissions across various tracks. All submissions will be peer-reviewed to ensure quality, originality, and relevance. Accepted submissions will be published in the conference proceedings with an IEEE catalog and ISBN numbers, and publicly available on IEEE Xplore.

INFO

TRACKS AT ICST 2025

- Research Papers
- Industry
- Short Papers, Vision and Emerging Results
- Testing Tools and Data Showcase
- Technical Briefings and Tutorials
- Journal-First Papers
- Education
- Posters
- Doctoral Symposium
- Tool Competition: Self-Driving Car Testing
- Tool Competition: UAV Testing

The conference will host co-located events, including workshops, tool competitions and tutorials, and keynotes by top-notch researchers. Stay tuned for more details on social activities and co-located events!
